The original song, which already makes a perfect song for today's protests:

This land is your land, and this land is my land
From California to the New York Island
From the Redwood Forest to the Gulf Stream Waters
This land was made for you and me

As I went walking that ribbon of highway
And I saw above me that endless skyway
I saw below me that golden valley
This land was made for you and me

I roamed and rambled and I followed my footsteps
To the sparkling sands of her diamond deserts
All around me a voice was a-sounding
This land was made for you and me

(Arlo Guthrie added this verse)
There was a big high wall there that tried to stop me
Sign was painted, said, "Private Property"
But on the back side, it didn't say nothing
This land was made for you and me

When the sun comes shining, then I was strolling
And the wheat fields waving and the dust clouds rolling
A voice come chanting as the fog was lifting
This land was made for you and me

This land is your land, and this land is my land
From California to the New York Island
From Redwood Forest to the Gulf Stream Waters
This land was made for you and me

Following are new verses written to cover many of today's trump tragedies; it's good to sing the chorus between new verses...

This land is your land, and this land is my land
This is not **Trump** land, this is land is our land
They will not trample the constitution
This land was made for you and me

(CHORUS: This land is your land...)

This land is your land, and this land is my land
In schools and libraries, they want the **books banned**,
But we will fight for the right to read books,
But these books were made for you and me.

(CHORUS: This land is your land...)

This land is your land, and this land is my land
A land of **science and education**
We will protect our schools and colleges
Education was made for you and me.

(CHORUS: This land is your land...)

This land is your land, and this land is my land
Our **National Parks and National Forests**
Are under threat from Drumpf's regime
But we will save these precious lands

(CHORUS: This land is your land...)

This land is your land, and this land is my land
That project twenty, and twenty five,
We will defeat them, what they connive
Freedom was made for you and me.

(CHORUS: This land is your land...)

We honor **veterans** for fighting for us,
We will stop Drumpf from hurting
Our wounded warriors
They fought their best for you and me.

(CHORUS: This land is your land...)

This land is your land, and this land is my land
Our farmers feed folks who are hungry
USAID has been shut down
That's not OK with you and me.

(CHORUS: This land is your land...)

This land is your land, this land is my land
Floods and fires breakin' out daily
The **climate** is really changing badly
Mother Earth was made for you and me

(CHORUS: This land is your land...)

This land is your land, this land is my land
Whether you are straight or **LGBTQ**
We will stand by you and protect you
This land was made for you and me

(CHORUS: This land is your land...)

Since the 1930s, **Social Security**
Allowed seniors to live with dignity
We fight to save that system.
That program was made for you and me.

(CHORUS: This land is your land...)

It hurts our children when the **president lies**,
It hurts everyone, when the real truth dies,
We will stand up for truth and facts,
The truth was made for you and me.

(CHORUS: This land is your land...)

His **attacks on women**, for many years,
Make us less safe, but shed no tears,
Cuz we will fight for a safer world,
A safe land that's made for you and me.

(CHORUS: This land is your land...)

He sent a mob to attack the capital
They fought police there, people died.
He is a traitor, should be in prison
Not making threats to you and me.

(CHORUS: This land is your land...)
